

Hurricane Safety Checklist

Be Prepared!

June 1st – November 30th

At the beginning of the season:

-  **Stock up on emergency supplies**
-  **Check that equipment like generators, flashlights, portable grills and electrical shutters are working.**
-  **Secure material needed to secure your home and business (eg. plywood, nails, duct tape).**
-  **Review and update insurance policies (building and automotive). Keep a copy in a watertight container.**
-  **Create your own hurricane preparedness plan and decide where you will go if you have to evacuate (Don't forget to plan for elderly relatives, extended family and pets as necessary).**

LET'S DO IT *Together*
