The case will be presented by a panel of experts in the clinical and public health aspects of gun violence. Attendance at this case is **REQUIRED FOR COHORTS 2-4, and optional for COHORT 1**; more information is forthcoming. Other activities during GVAW are optional for all cohorts.
3. CUIMC “IPE” Day. The entire CUIMC campus will come together for one day of inter-professional workshops and activities. All daytime classes at all Schools are cancelled on this day, and participation in **at least 2 of the workshops is REQUIRED FOR ALL COHORTS** IPE Day will take place during the spring semester, and details are forthcoming.

There will be a number of other IPE offerings throughout the School year, including interactive “cases” that are sponsored by other Schools. These are optional for Mailman students.
