

Alumni Board Member Patrick Georgia MPH '14

Patrick Georgia is currently an Associate Consultant at QuintilesIMS, formerly IMS Consulting Group (IMSCG), where he supports projects across Pricing & Market Access, Brand & Commercial Strategy, and Strategy & Portfolio Analysis. His experience includes the development & analysis of forecasts, market research, and strategic recommendations for both launched and pipeline products. Prior to joining IMSCG, Patrick worked for 2 years in IMS Health's Commercial Operations business unit, largely focused on diabetes forecasting, before transferring internally to IMSCG. He graduated in December 2013 with an MPH in Health Management."
