CHARLES B. WANG
COMMUNITY HEALTH CENTER
王嘉廉社區醫療中心

Charles B. Wang Community Health Center

Wendy Liu
Program Coordinator
MSPH Department: SMS

Charles B. Wang Community Health Center is a federally qualified health center offering comprehensive primary care services to all, regardless of their ability to pay, their language, or their immigration history. The Center offers comprehensive primary care as well as social services under one roof. They emphasize wellness and preventative care in all core services: Internal Medicine, Pediatrics, OB/GYN, Dental care, and Mental Health. In addition, their social work and health education departments support patients and the community.

YuzuYello
AN FCB HEALTH NETWORK COMPANY

YuzuYello, FCB Health

Denita Utami
Associate Learning
Strategist
MSPH Department: SMS

Born from the FCB Health Network, YuzuYello is a diverse team of specialists dedicated to helping brands exceed their patients' expectations. Their behavioral and learning strategists, service designers and content creators help to transform patient expectations into reality. They aim to create learning, access and adherence solutions that radically improve patient outlooks and business outcomes.

People's Health Empowerment Group

Brittney Sweetser

Co-Founder

MSPH Department: SMS

People's Health Empowerment Group works to ensure health initiatives are people-centered and effective. They help healthcare providers learn valuable information about their efficacy in order to grow, get more funding, and guarantee positive patient outcomes. From primary schools to universities, they create and support campus programs tailored to students and their health priorities. This ensures schools maintain strong. Fostering healthy communities goes beyond giving medical advice. People's Health Empowerment Group collaborates with organizations to provide essential services that address the community's needs.

Olivia Brown

Senior Associate

MSPH Department: SMS

The Miami Foundation

The Miami Foundation partnered with the city of Miami, Health Foundation of South Florida, Florida International University and other government, university, and nonprofit partners to integrate efforts of service providers to increase access to quality jobs and work with technical assistance providers to support the small business ecosystem in attaining growth opportunities. After identifying key opportunities in the Greater Miami Workforce Asset Mapping Report, The Miami Foundation led the development of the Labor Miami portal to identify opportunities and prepare residents for 21st century economy living wage jobs in Greater Miami.

NYC Health + Hospitals

Brittany Hale

City Research Scientist

MSPH Department: PopFam

NYC Health + Hospitals is the largest public health care system in the United States. They provide essential inpatient, outpatient, and home-based services to more than one million New Yorkers every year in more than 70 locations across the city's five boroughs. Their hospitals have earned numerous special designations for quality and culturally responsive care including LGBTQ Healthcare Equity Leader, Baby Friendly, Safe Sleep, and top ranks by U.S. News and World Report.
